Unico, Inc. Chairman Files Form 4 on Stock Purchase

Issued Thursday August 31, 9:00 am ET

SAN DIEGO, CA--(MARKET WIRE)--Aug 31, 2006--Unico, Incorporated (OTC BB: UCOI), a natural resource company in the precious metals mining sector, today announced that chairman Ray C. Brown has purchased an additional 700,000 shares of Unico common stock.

The purchase was made at a price of \$0.0384 per share on August 29, 2006 and brought the number of common shares that Mr. Brown owns to 1,200,000. Subsequent to his purchase, Mr. Brown gifted 200,000 shares of his purchased common stock, including 50,000 shares to company director Richard Belliston, bringing Mr. Belliston's total common stock position to 72,833.

Mr. Brown's purchase and the gifting of shares to Mr. Belliston are both reflected in Form 4 Statements of Change in Beneficial Ownership of Securities filed with the Securities and Exchange Commission.

"After seeing the ongoing reconstruction of the mill and processing facility firsthand during my recent trip to the Deer Trail Mine property, I am thrilled with the progress being made and more than happy to add to my common stock position in the company," stated Mr. Brown. "The visit has only confirmed my belief that Unico is on the right path to building revenues in its subsidiary operations and growing value for the company's shareholders. The reconstruction, as well as the other activities underway at the Deer Trail, bode well for the long-term future of Unico, and I look forward to seeing the company's business strategy fully implemented in the coming fiscal quarters."

Shareholders who would like to sign up to receive information by email directly from Unico, Inc., particularly when new press releases, SEC filings or other information is disclosed, are asked to visit the company's website at www.uncn.com/IR/maillinglist.asp.

About Unico, Inc.

Unico, Inc. (OTC BB: UCOI), is a publicly traded natural resource company in the precious metals mining sector that is focused on the exploration, development and production of gold, silver, lead, zinc, and copper concentrates at its three mine properties: the Deer Trail Mine, the Bromide Basin Mine and the Silver Bell Mine. Forward-Looking Statements

This news release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and such Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are subject to risks and uncertainties that could cause actual

results to vary materially from those projected in the forward-looking statements. The company may experience significant fluctuations in operating results due to a number of economic, competitive and other factors. These factors could cause operation results to vary significantly from those in prior periods, and those projected in forward-looking statements. Information with respect to these factors, which could materially affect the company and its operations, are included on certain forms the company files with the Securities and Exchange Commission.
