Unico, Inc. Shows New Pictures of Reconstruction of Mill and Processing Facility at Deer Trail Mine

Issued Monday September 11, 9:15 am ET

SAN DIEGO, CA--(MARKET WIRE)—Sept 11, 2006--Unico, Incorporated (OTC BB: UCOI), a natural resource company in the precious metals mining sector, has added a new gallery of photographs in the “Multimedia” section of the Unico website at www.unicominig.com/news/othermedia.php that shows recent work on the reconstruction of the mill and processing facility at the Deer Trail Mine in Marysvale, Utah.

The photo gallery contains pictures of the delivery of several new parts for the ball mill including ball mill liners, a discharge grate, a new feed scoop, and reconditioned main trunion bearings. Newly purchased equipment, including a 10,000-pound telescopic forklift with a 48-foot reach and a Lincoln industrial welder are also shown in the new collection of photographs.

There are also several pictures in the gallery of a site located near the existing mill facility which has been cleared for a 50 by 100 foot building that will house the thickener tanks and filtration, as well as other photos that show the addition of a new millwright hired to service the industrial feed bin and address any potential problems before the mill begins operation.

Upon completion of the mill facility, Unico’s wholly owned subsidiary Deer Trail Mining Company, LLC plans to process initial stockpiled material and begin selling the concentrates in fulfillment of the company’s five-year purchase contract with PGM, LLC, a private subsidiary of Polymet Corporation.

Unico has also completed the switch to its new website address, www.unicominig.com. The company’s previous website address, www.uncn.com, is still active, and the current Unico website can be accessed by typing in either address.

Shareholders who would like to sign up to receive information by email directly from Unico, Inc., particularly when new press releases, SEC filings or other information is disclosed, are asked to visit the company’s website at <http://www.unicominig.com/IR/maillinglist.php>.

About Unico, Inc.

Unico, Inc. (OTC BB: UCOI), is a publicly traded natural resource company in the precious metals mining sector that is focused on the exploration, development and production of gold, silver, lead, zinc, and copper concentrates at its three mine properties: the Deer Trail Mine, the Bromide Basin Mine and the Silver Bell Mine. For more information, please visit www.unicominig.com.

Forward-Looking Statements

This news release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and such Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are subject to risks and uncertainties that could cause actual results to vary materially from those projected in the forward-looking statements. The company may experience significant fluctuations in operating results due to a number of economic, competitive and other factors.

These factors could cause operation results to vary significantly from those in prior periods, and those projected in forward-looking statements. Information with respect to these factors, which could materially affect the company and its operations, are included on certain forms the company files with the Securities and Exchange Commission.
