Unico, Inc. Releases November 2007 Issue of Investor Newsletter Highlighting Recent Activities at the Deer Trail Mine

Issued Monday November 5, 9:04 am ET

SAN DIEGO, CA--(MARKET WIRE)--Nov. 5, 2007--Unico, Incorporated (OTC BB: UCOI), a natural resource company in the precious metals mining sector, today released the November 2007 issue of its investor newsletter, which highlights recent activities at the Deer Trail Mine in Marysvale, Utah. Included in these activities was the testing of equipment inside the Deer Trail mill facility in preparation for the start-up of processing operations.

A PDF version of the newsletter has been added to the company's website at <http://www.unicominig.com/news/newsletters.php>, and an email notification of the newsletter's release has been sent to subscribers to Unico's electronic mailing list.

In addition to the testing of equipment, other newsletter articles review recent reconstruction work at the mill facility, energizing of the new Deer Trail electrical substations, submission of the Evacuation and Escape Plan for the Deer Trail Mine to the U.S. Mine Safety and Health Administration (MSHA), and approval of an additional amendment to the company's Large-Scale Mining Plan to cover expansion of the mill and processing facility. Numerous photographs, which are also posted in the Media section of the Unico website at <http://www.unicominig.com/news/othermedia.php>, accompany the newsletter articles.

"We are pleased to have issued the November 2007 newsletter, which highlights the progress made over the past month on our project at the Deer Trail Mine," stated Mark A. Lopez, chief executive officer of Unico, Inc. "The availability of electrical power into the mill buildings from the new onsite substations is a significant milestone, and the ongoing testing of equipment in the mill will allow the processing operations to run more smoothly and effectively once they have been initiated. We hope shareholders enjoy this review of our recent activities at the Deer Trail Mine and look forward to the company's future progress."

Shareholders who would like to sign up to receive information by email directly from Unico, Inc., including when newsletters are issued and posted to the company website, are asked to visit the company's website at <http://www.unicominig.com/IR/maillinglist.php> and fill in the appropriate fields.

About Unico, Inc.

Unico, Inc. (OTC BB: UCOI) is a publicly traded natural resource company in the precious metals mining sector that is focused on the exploration, development and production of gold, silver, lead, zinc, and copper concentrates at its three mine properties: the Deer Trail Mine, the Bromide Basin Mine and the Silver Bell Mine. The company has also announced agreements to acquire over 70 additional mining claims. Recently, Unico announced that its wholly owned

Deer Trail Mining Company subsidiary had completed the purchase of the Deer Trail Mine from Crown Mines, LLC. For more information, please visit www.unicomining.com.

Forward-Looking Statements

This news release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and such Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are subject to risks and uncertainties that could cause actual results to vary materially from those projected in the forward-looking statements. The company may experience significant fluctuations in operating results due to a number of economic, competitive and other factors. These factors could cause operation results to vary significantly from those in prior periods, and those projected in forward-looking statements. Information with respect to these factors, which could materially affect the company and its operations, are included on certain forms the company files with the Securities and Exchange Commission.
