## **Unico, Inc. Announces Monthly Investor Newsletter Set to Debut in January 2007**

Issued Wednesday December 27, 9:03 am ET

SAN DIEGO, CA--(MARKET WIRE)--Dec. 27, 2006--Unico, Incorporated (OTC BB: UCOI), a natural resource company in the precious metals mining sector, today announced that the company is planning to launch a new monthly investor newsletter for the purpose of further updating shareholders and the public markets on the progress of Unico's subsidiary mining properties.

A PDF version of each newsletter, complete with photographs and other graphics suitable for printing, will be made available on the company's website at <http://www.unicominig.com/news/newsletters.php>. Anyone interested in receiving an email notification when the newsletter is posted to the website should subscribe to Unico's mailing list at <http://www.unicominig.com/IR/maillinglist.php>.

A major focus of the first newsletter issues will be to share additional photographs and descriptions of the completion process of the mill and processing facility at the Deer Trail Mine in Marysvale, Utah. Reconstruction of the mill facility is a priority for Unico. The company recognizes that once this facility is complete and operational, the Deer Trail Mining Company can begin processing current stockpiles of material and sell the concentrates to generate revenues. As the company embarks upon future exploration projects as well as other drilling and mining operations at its subsidiary properties, the newsletter will be used to review the information presented in press releases and provide additional depth to the information with photographs, background and other media.

"We are pleased to be launching the Unico newsletter, which will essentially review and expand upon the information issued by the company in the previous month," stated Mark A. Lopez, chief executive officer of Unico, Inc. "The newsletter will also serve as a useful historical snapshot for Unico on a month-to-month basis and can be used in a variety of corporate and marketing applications.

"We hope that all of our shareholders are subscribed to our mailing list, so they will receive the first newsletter edition, scheduled for a January 2, 2007 release," added Mr. Lopez.

Shareholders who would like to sign up to receive information by email directly from Unico, Inc., particularly when new press releases, monthly newsletters, SEC filings or other information is disclosed, are asked to visit the company's website at <http://www.unicominig.com/IR/maillinglist.php>.
